

BIZOL oil

PROTECT AND INCREASE  
PERFORMANCE

**BIZOL Leak Stop+ o92** restores hardened rubber and plastic seals to their original condition and prevents viscosity loss of the motor oil. Thus, the product reduces oil consumption in petrol and diesel engines.

BENEFITS

- increased engine service life
- prevents environmental pollution due to oil-dripping engines

TECHNICAL DATA

Characteristics	Measurements
Pour Point	-5 °C
Colour	yellow/brown
Physical state	viscous liquid
Flash Point	76 °C
Density at 20 °C	0,88 g/ml

AVAILABLE PACK  
SIZE, ARTICLE,  
LANGUAGES

250 ml      8884      DE/EN/FR/ES/RU/ZN/AR

HOW TO USE

A can is sufficient for 4.5 l motor oil. The product can be added at any time.After adding, allow the engine to warm up.Attention: Not suitable for motorcycles with wet clutch.
